

Summer at St. George's Bay!

The Corinthia Hotel
St George's Bay and
the Marina Hotel
Corinthia Beach Resort
are joining forces to
produce 'Summer at
St George's Bay' – an
action-packed four days
for adults and children
alike.

Pencil Thursday 26th to Sunday 29th May in your diary and join in the fun, action and entertainment planned over the course of four days. Whether you're in the mood for taking a cooking class, browsing through a photography or art exhibition, visiting an artisan market, chilling out by a BBQ, enjoying live music, learning how to decorate a killer cake, or taking a ride in a dream Ferrari – we've got it all covered.

First class food, unforgettable experiences and long-lasting memories are all that has come to be expected from this May Fest, which is being organised for the third consecutive year.

And if you've got kids, it's so much better! This year's celebration will offer kids several Beach Fun activities such as a water balloon fight and face painting, amongst others, at a small fee, so that adults can relax while the kids play.

10% of all proceeds made during this event will be donated to the Inspire Foundation.
