Our SPA Etiquette

Spa etiquette can be a source of anxiety for first-time spa-goers, but it's easy once you know a few basics. Here are some basic rules to help you relax.

CANCELLATION / POSTPONEMENT.

In case of cancellations, a minimum of 12 hours notice is required to avoid cancellation charges. If your treatment is cancelled within the 12 hours, a charge of 50% of the treatment price will be charged. If no notification is given, then a 100% cancellation charge will apply.

ARRIVE ON TIME.

Make sure you make the most out of your spa experience. Always try to arrive 15 to 20 minutes early, especially on your first visit, as you will need a few minutes to fill out your consultation form as well as enjoy a quick tour of the facilities. When undergoing a treatment at the Spa you will have access to the indoor pool, sauna and jacuzzi. Should you arrive late, kindly note that the equivalent time may be deducted from your treatment.

TURN OFF YOUR CELL PHONE.

You can't relax if you're answering calls, checking emails, and texting. And neither can the person next to you.

SPEAK UP ABOUT WHAT YOU WANT.

When making an appointment, should you have a preference for a male or female therapist, kindly inform the reception when arranging your booking. During your treatment, feel free to ask for anything you would like to be different, more or less pressure, quieter music etc.

YOUR COMFORT IS IMPORTANT TO US!
